NHS BIG TEA

LET'S GET FUNDRAISING!

Here's a great way of adding a splash of fun to your NHS Big Tea party as well as a boost to your fundraising total.

- 1** Find a jar and fill it to the brim with teabags.
(If you don't have a jar, any see-through container will do.)
- 2** Print off the following page and display it next to your jar full of teabags.
- 3** Invite your tea party guests to make a donation and have a guess at the number of tea bags.
- 4** Once all guesses are in, reveal the correct number of tea bags contained in the jar, announce the winner and present them with a prize of your choice.
